Math Fluency Lab · My Progress Tracker

Name _____ Period _____

How to use this tracker

1. **Practice** a module in sets of 10. Circle the **highest level** you reach (1–6).
2. When you feel ready, take the **Skill Check**. Write the date and your percent.
3. The Skill Check shows your **SBG level** (1–5) in **My plan**. Write it down.
4. Write your **best** level. Check the box when you reach **4 or higher**, my goal.
5. Below a 4? Tap the **Practice** button in My plan, do a set of 10, then retake it.

Our SBG scale for the Skill Check (percent right)

5	**Beyond**	100% on the Skill Check **and** I reached Level 6 in practice.
4	**Mastery**	80% to 99%. Only small mistakes.
3	**Getting there**	65% to 79%. I know the basics but still miss some.
2	**Partly**	40% to 64%. I need the worked steps or help.
1	**Starting**	Below 40%. I need to practice before I try again.
